Bonfire gets new date

The Bowie High School homecoming bonfire has been rescheduled for 8-10 p.m. on Sept. 18 at Selma Park.

After last week's rain cancelled the parade and bonfire, the students are ready to celebrate the Jackrabbit's homecoming victory last Friday and get ready for the district opening. This is a bye week for the Bowie varsity football team.

Everyone is invited to this Project Graduation event. There is no admission, but donations will be accepted. Drinks will be available for sale.

A grand jury indictment is not evidence of guilt. All defendants are presumed innocent until proven guilty beyond a reasonable doubt in a court of law.

Court questions sheriff; he says COVID cut costs

By BARBARA GREEN

Mantagua County Com

Montague County Commissioners gave approval for the sheriff's office to move budget money around to help pay for a new vehicle for the K-9 officer, but not before questioning how they could have that much money left with two weeks to go in the fiscal year.

Sheriff Marshall Thomas asked to move funds around to pay for the new Tahoe to replace the present unit which

is having significant maintenance problems. A little more than \$45,000 was moved around the different line items within the budget to fund the purchase.

Commissioner Bob Langford asked how Thomas was able to squeeze almost \$50,000 at this point in the year, questioning if they have "over budgeted."

The sheriff pointed directly to the COVID-19 restrictions in place since **See COUNTY 2A**

Federal jury finds robbery suspect guilty on pair of firearms' charges

A man accused of the 2018 robberies of Ultimate Stop, Montague, and Doug's Peach Orchard, Terral, OK, was convicted in federal court on Sept. 11 on two federal firearms charges.

District Attorney Casey Polhemus reported Melvin Mark Dewayne Bowling was convicted in the United States District Court for the Northern District of Texas. In a one-day trial, federal prosecutors presented evidence Bowling possessed a firearm as a convicted felon, and knowingly transported a stolen firearm in interstate commerce. The jury returned unanimous guilty verdicts on both federal counts in less than 15 minutes.

The charges stem from the robberies of the two area businesses back in June of 2018. Bowling, 39 at the time of the incident, was from Nederland, TX.

Sheriff's deputies were called to the Ultimate

Stop, 10343 State Highway 59 at 9:30 p.m. on June 14. The employee was outside at the ice machine when the suspect

came up behind her. He had a skeleton mask on his face and told the clerk he had a weapon and demanded the cash.

Although lawmen arrived quickly, the suspect drove away and eluded police despite a lengthy late night search. Two days earlier on June 12 Doug's Peach Orchard, just across the Red River on U.S. Highway 82 was robbed. In that incident a robber pointed a shotgun as the owner went outside to the dumpster.

He was made to go back inside and clear out the cash register and ATM. The suspect reportedly point the gun at five other people inside the restaurant.

As the cases were investigated officers discovered similarities and felt it may be the same male suspect for both robberies. An intensive search took place across the area, but he was finally stopped in Cooke County and arrested on See VERDICT 2A

March. The sheriff put limits on the jail population to reduce the number of new inmates to the system at the height of the pandemic. That action reduced meal and related expenses. He said there also has been a lower number of calls bringing a reduction in fuel and transportation costs.

"General operation expenses are down. A lot of calls have been dealt with on the phone instead of a visit," said Thomas.

County Judge Kevin Benton said there appears to be two issues involved in these finances: Replacing the Tahoe and moving funds to make line items even. Benton explained the latest audit report shows the line item changes he asked for will be different based on the latest bills.

Langford said with two more weeks in the budget his concern is it won't be like this next year.

"If we over budgeted we could have increased salaries. I will take your word on the COVID-19, but we will take a hard look at this next year. We do these moves in the precinct budgets but it is usually carryover funds," said Langford.

A motion was approved to allow the vehicle purchase and for the sheriff to work with the auditor to move the line transfers as needed.

In one other budget item for the SO, unanticipated revenue of \$874 was received from Law **Enforcement Magnets** and will go into auto repair and maintenance.

Road issues

Two public hearings

were conducted on road questions in precinct four with no citizens making comments.

During the regular agenda the court approved the naming of a private road off of Starkey Road. Langford said a private developer approached him to name the road, which also helps the 911 system include all roads. The new road will be called Starkey Ranch Road.

The court agreed to vacate portions of the road in Unit II Hillcrest Lake Subdivision and portions of the county road in Buck **Keck Lakeview Addition** behind lots five and six near Storey Road.

Langford said the court has been dealing with property questions in this area since 2003. He said this action should clear up the deeds with half of the land going to the county and half going to the adjacent landowner.

Other topics

October was proclaimed Domestic Violence Awareness Month. The proclamation was offered by Wise Hope Crisis Center of Montague County, which operates an office in Bowie.

Judge Benton noted the following statistics from the proclamation:

• Domestic violence is the leading cause of injury to women and that 92 percent of women surveyed listed reducing domestic violence and sexual assault as their top concerns. That one in four women and one in seven men will experience physical violence by their intimate partners.

• Up to 10 million

children in the United States have witnessed some form of domestic violence and one in five teenage girls report being threatened with violence or self-harm if they broke off a relationship.

• The costs of intimate partner violence in the U.S. exceeds \$8.3 billion per year and victims of domestic violence lose nearly eight million days of paid work per year.

Three new members to the Montague County Child Welfare Board were accepted. Jeanette Shaw, chairman, and Lorra Lierly, outreach counselor, submitted the names of Kim Cantwell, Dana Polk and Stacy Brown for board membership.

The sheriff and constable fees for the new fiscal year were approved with no changes.

Commissioners agreed to distribute Unclaimed **Property Capital Credits** Funds from the Texas Comptroller to four local entities. The libraries in Bowie, Nocona and Saint Jo, along with the Leadership Montague County will each receive \$3,750.

Montague County will now have to conduct an actuarial valuation study each year to comply with the new general accounting process. County Auditor Jennifer Essary said the county will need the study each year on its group insurance paid to retirees and it will be part of the outside audit. The five-year agreement will cost \$4,950 each year.

Precinct two asked to move \$10,000 from gravel to part-time and precinct one moved \$17,000 from part-time to machinery.

Put PPE in the trash

With a growing number of discarded face masks, gloves and sanitizing wipes found littering roadways and parking lots, Don't mess with Texas called on the help of some celebrity friends to remind fellow Texans that the only safe way to dispose of used Personal Protective Equipment is in a trash can.

Oscar winner and Minister of Culture/M.O.C. Matthew McConaughey and country music legend

George Strait are lending their voices to new video public service announcements that urge Texans to clean up their act, including proper disposal of used PPE.

The PSAs will air on TV networks, cable channels and digital platforms starting this week.

"Unfortunately, we're seeing a significant uptick in the amount of PPE litter. Not only is it unsightly, it is also harmand a danger to public health," said Becky Ozuna, program administrator. "When you're done with your masks, gloves and wipes, do the right thing and dispose of them properly. This simple action helps keep Texas clean and safe."

To promote pride in keeping Texas litter-free, Don't mess with Texas cloth face masks are now available for purchase at TexasHighways.com in the Mercantile shop.

Verdict

the firearms charges.

The 97th DA's office worked with the Federal Bureau of Investigation on the robberies. Upon reviewing the cases, the DA believed federal crimes had been committed and sought to present the cases to the U.S. Attorney for enhanced prosecution. Federal prosecutors agreed and proceeded to a jury trial on the federal indictments for unlawful possession of a firearm by a felon and transportation of a stolen firearm in interstate commerce.

"I am proud to have the opportunity to work in conjunction with the U.S. Attorney's office for enhanced prosecution on cases that meet the federal guidelines and I am grateful to the federal prosecutors for their commitment to seeking justice in this case," said DA Polhemus.

Bowling will be sentenced in federal court on Dec. 11, 2020 by District Judge Reed O'Connor. Bowling still has state charges pending for the robbery of the Ultimate

Stop, unlawful possession of firearm by a felon and possession of methamphetamine, which are currently on the Montague County Jury trial docket.

Noble Institute plans online event

Noble Research Institute will host an online learning event Establishing a Pecan Orchard from 6:30-8:30 p.m. Sept. 24.

It is crucial to know the proper steps to begin an orchard, such as:

- Selecting the right soil type. • Knowing the irriga-
- tion requirements. • Selecting the right varieties for proper pol-
- lination. • Designing the orchard layout to accommodate

operational equipment and future tree removal.

By the end of the seminar, attendees will know how to make decisions that will increase their chances of establishing a successful pecan orchard.

There is no registration fee, but preregistration is required to receive meeting login details prior to the event.

News photo by Jordan Neal Bowie's defense forced four turnovers as the Jackrabbits scored 21 points in the fourth quarter to pull away from Henrietta.

Bowie wins homecoming 42-18

By JORDAN NEAL

sports@bowienewsonline.com

The Bowie Jackrabbits made it a happy homecoming as they took care of Henrietta.

A push in the fourth quarter from the Jackrabbits busted open a close game into a blowout, winning 42-18 thanks in large part to winning the turnover battle.

The first quarter was scoreless as both teams battled for field position as the offenses were struggling to get going. Both were moving the ball in spurts, but in different ways.

Bowie ran the ball with Ty Harris and Devin Melton while the Bearcats threw the ball with short, quick passes.

The Jackrabbits were more effective, but their most successful drive stalled at Henrietta's 32-yard line right before the game moved into the second quarter

where it picked up for both teams.

Bowie's Colton Covington intercepted a pass and returned it to the Bearcats five-yard line. Harris scored on a short run a few plays later to give the Jackrabbits a 7-0 lead.

Bowie was able to get another drive deep in Henrietta's territory, covering a fake punt and turning the Bearcat's over on downs at Henrietta's own 30-yard line.

Unfortunately, the Jackrabbits could not take advantage as a jump ball pass to the end zone was intercepted by Baron Brown. Bowie's defense again did not allow the Bearcats to go anywhere and forced a punt. Harris collected the ball at around midfield and returned it down the Jackrabbits' sideline for a touchdown, making the score 14-0.

Henrietta bounced

back with a special team's play of its own as Reece Essler returned the kickoff 93 yards for a touchdown. The extra point was no good, but it

cut the score to 14-6. Bowie's next drive went far, but again stalled out deep in Henrietta's territory on the 14-yard line. The Bearcats were moving the ball well towards midfield and with the recent momentum shift. it was not out of reason to think they were looking like they might tie the score up before halftime

The Jackrabbit's Ryder Richey came through to put an end to that thinking, intercepting a tipped pass and returning it to Henrietta's 38-yard line. Bowie again took advantage of the defenses turnover as Devin Melton punched the ball in from four yards out to put the Jackrabbits up 21-6.

With less than a min-

ute to play it looked like Bowie was going to head into halftime with good momentum.

Unfortunately, the Bearcats quick pass offense was perfectly suited to move down the field in a short time. The Jackrabbits were worried about giving up the deep ball so were giving a generous cushion. Henrietta took advantage with quick pass after quick pass with receiver able to get out of bounds almost every time.

The Bearcats got into Bowie's territory before quarterback Braden Bell found Carson Cody. He ran through and around some defenders to score from 34 yards out. The extra point was no good, but Henrietta had cut the lead to 21-12 heading into halftime while giving the Jackrabbits a quick reminder this game was far from over.

The third quarter saw

Bowie keep its lead, but not do much else as both offenses struggled to move the ball after halftime adjustments.

1B

MID-WEEK

September 16, 2020

The Bearcats got a boost from their special teams again midway through the quarter with a blocked punt that was recovered at the Jackrabbits 17-yard line. From there, Henrietta's Essler scored on a nine-yard run. Extra points again eluded the Bearcats, but the score was cut 21-18 and the momentum surely on Henrietta's side.

After a Bowie punt, the Bearcats looked like they were heading in for another touchdown drive to take their first lead of the game. Down at the Jackrabbits 12-yard line, Melton grabbed the Jackrabbits third interception of the game. He took the ball from his own fiveyard line all the way to Henrietta's 12-yard line. See BOWIE 8B

Gold-Burg snaps 13-game winless streak; Forestburg, Nocona lose one-sided games

By JORDAN NEAL

sports@bowienewsonline.com The Saint Jo Panthers won their home opener against Fort Worth Texas Home Educator's Sports Association.

The Panthers won 64-36 against the Riders, but a not so good fourth quarter left a bad taste in Saint Jo's mouth.

With the chance to end the game early in the fourth quarter due to 45 point mercy rule, a bad snap on an extra point led to the game continuing. THESA scored two touchdowns in the period to extend the game until the end.

"We played a good game for three quarters," Coach Mark Stevens said. "Our fourth quarter was horrible."

It was not all bad of course. Logan Brawner led the Panthers with 391 yards rushing and six touchdowns on the ground.

Chance Bennett scored twice on both of his car-

pleted four passes for 75 vards and one touchdown to Dylan Brockman, who caught two passes for 36

turnover as Brockman recovered a fumble.

Despite the win, Saint Jo is motivated to play much better in this week's game against Campbell. Stevens is not worried his players will be able to stay focused despite it being homecoming week.

Kickoff is scheduled for 7:30 p.m. on Sept. 18.

Gold-Burg

The Gold-Burg Bears broke the 13-game winless streak with their win at Chillicothe on Friday.

The Bears came back from a 24-6 first quarter deficit to win 44-38 in overtime.

There were no midgame adjustments Coach Joe Helms employed to turn the game around. Gold-Burg just started playing better the next three quarters and executing the game plan.

Thankfully, there was just enough time to come back.

The Bears tied the score up with only 42 second left in the game turning his players mentality around to expect to win and not just be fine with moral victories in the case of a loss.

Helms has hopes his team can pick up win number two against Arlington Texas Leadership Academy.

Kickoff is scheduled for 7:30 p.m. on Sept. 18 at Gold-Burg.

Forestburg

The Forestburg Longhorns travelled to Throckmorton and saw the Greyhounds win a onesided game.

The Longhorns lost 54-7, with the game ending early in the third quarter.

Forestburg played with a lot of heart, but the bigger, stronger team from Throckmorton used its size well to push the Longhorns around.

Offensively, Forestburg did some good things, but negative plays and penalties killed drives.

The Nocona Indians hosted Ponder on Friday and did not play well.

The Lions ran over the Indians 53-14.

Ponder's rushing at-

tack was just too much for Nocona on that night. The Lions led 34-0 at halftime.

The Indians played better in the second half, but it was too little too late after the big hole they were in after the first half.

Rick Weaver named Trent Sappington the player of the game. He led the team with 11 tackles, intercepted a pass and

tie the set at 15-15, but Saint Jo closed the set well winning 10 of the next 14 points to win 25-19.

The fourth set was the most competitive set of the match as neither team could mount much of a lead.

The Lady Panther's 19-16 lead late in the set was the biggest margin they ever got, but the Lady Bulldogs came back to tie the score at 20-20.

In the end it was Alvord that executed down the stretch to win 25-22, winning the match 3-1.

Hannah Reyling led the team with 17 kills and Kassidy Pitman with 14 digs. Kayden Skidmore and Kaitline Harris each had 19 assists to lead the team.

Coach Charlie Hamilton did like how her team played overall, though she is seeing improvement in certain areas.

"We are getting better at being more consistent servers," Hamilton said "We are gaining experience in games that this year we can't in practice due to having a small team. I believe once we get to where we are communicating a little more then the 2A games in our district will become games we become more confident in."

Saint Jo next hosts Poolville at 5 p.m. on Sept. 18.

Prairie Valley

The Prairie Valley Lady Bulldogs lost a five-set heartbreaker to Wichita Christian at home on Saturday.

The Lady Bulldogs lost by the narrowest margins in the fifth set 15-13 after scraping and clawing its way to win set four 25-23. Prairie Valley found itself behind 2-1 after losing sets one and three by one-sided margins 25-17 and 25-16, but winning set two in extra points 27-25.

Veronica Gutierrez led the team with 15 kills and Hailev Winkler led the team with 37 digs. Emily Carpenter finished with doubledigit kills as well with

Coach Jeannie Carpenter was as happy as she could feel after a loss, knowing her team played well even in defeat.

"I like what I saw from my girls," Carpenter said. "We definitely showed improvements even with the loss. We are looking forward to getting started with district play."

Prairie Valley next plays at Harrold at 10 a.m. on Sept. 19.

What maintenance schedule does my car need?

Vehicle maintenance schedules vary depending on manufacturer recommendations.

In addition, the way a car is driven and the environment it's driven in can dictate if routine maintenance like oil changes needs to occur more frequently or if belts and hoses need to be replaced sooner than manufacturers recommend.

Many people drive in ways that align with routine maintenance schedules. However, drivers who put excessive wear and tear on their vehicles may have to follow a "severe" maintenance schedule.

According to the automotive information site Car Gurus, many manufacturers adhere to a 30-60-90 schedule, meaning certain items need to be inspected, changed or replaced at 30,000, 60,000 and 90,000 miles.

Certain vehicle parts wear out at predictable intervals, while others, such as rubber gaskets, windshield washer blades and tires, will degrade at irregular intervals.

It is generally recommended to speak with a mechanic and discuss driving habits to ensure vehicles operate efficiently and at peak capacity.

The following are some conditions that may necessitate frequent main-

• Urban driving: Stopand-go traffic in an urban setting can wear cars out more quickly than highway

driving

Experts say lubricants found in motor oil break down rapidly under these and other conditions, including especially hot temperatures.

• Short trips: Frequent. short trips can take a toll on a vehicle. Again, this may be a problem for those who reside in cities or bustling suburbs.

Short trips of no more than five miles can contribute to an accumulation of water vapor that dilutes motor oil and adversely affects its efficacy.

• Heavy loads: Advanced Auto Parts says transporting or towing heavy loads can put more wear and tear on a vehicle. Loads can include cargo or passengers.

· Dusty or salty environments: Dust can accumulate in air filters and clog internal engine components.

Similarly, living close to the coast and salt water also can cause car parts to rust or degrade quickly.

• Extreme temperature conditions: People who reside in extremely cold or extremely hot climates may find that their vehicles have to work that much harder to operate, reducing the life span of automotive fluids, parts (especially car batteries) and the overall vehicle

unless action is taken. For those who frequently encounter these severe conditions, switching to a severe maintenance schedule with the guidance of an automotive service shop can help.

The added cost of more frequent fluid changes and other maintenance can be recuperated by fewer breakdowns and the reduced need for potentially costly repairs.

Bowie linebacker Devin Melton drags down Henreitta quarterback Braden Bell.

News photos by Jordan Neal

Jackrabbit Ryder Richey looks to find some room towards the sidelines.

Bowie

Unfortunately, the ball fumbled and the Bearcats recovered.

While Henrietta was no longer on the doorstep to taking the lead, it still felt like the Bearcats had the momentum as the game moved into the fourth quarter. Thankfully, Bowie's defense had more plays up its sleeves.

Due to miscommunication on a route, Jackrabbits' cornerback Alan Miranda found the ball thrown directly to him where he intercepted the pass at Henrietta's own 24-yard line.

After struggling to move the ball all of the third quarter, this short field was almost squandered away as Bowie's offense had to convert on a fourth and short to keep the drive going. From there, Harris was able to score from one-yard out and put the Jackrabbits back up by two scores 28.18

The Bearcats drove into Bowie's territory,

but again the Jackrabbits defense bend-but-don't break act came through again, turning Henrietta on downs at Bowie's 22-yard line. One play later, Harris again came through with his fourth touchdown on the night, running 78 yards for the score.

With the Jackrabbits lead at 35-18 with five minutes to play, all of the tension of the game seemed to leave as Bowie firmly grabbed hold of the momentum.

After forcing a punt, the Jackrabbits tried a 29-yard field goal that missed. The Bearcats did not move the ball and turned the ball over on downs at their own 15-yard line.

Bowie took advantage, scoring one last time in the final minute as quarterback Colby Miller scored from five-yards out to put the finishing touches on the game as the Jackrabbits won 42-18

Bowie moved the ball

on the ground all night as Harris led the team with a season high 211 yards rushing on 23 carries, scoring three rushing touchdowns and returning a punt for a touchdown. Melton added 53 yards on the ground and scored one touchdown. Miller completed seven passes for 40 yards and ran for 23 yards and a touchdown.

It was the complete opposite for Henrietta as it passed 49 times on the night. The Jackrabbits' defense limited the Bearcats to 23 completions for 263 yards and intercepted four passes.

Only one of Henrietta's three touchdowns were scored without the aid of a big special teams play.

"The game was closer than the scoreboard showed and our defense played better than their score showed," Coach Cory Mandrell said. "Our offense did not help them out for most of the game. They spent a lot of time

on the field and we put them in some tough situations."

Despite not collecting an interception, cornerback Tru'Vion Sansom was singled out by Coach Cory Mandrell for his matchup with receiver Baron Brown. Brown finished with seven catches for 64 yards on quick hitches underneath against soft coverage, but continued attacks to get the ball down the field to him were thwarted by Sansom's coverage.

"I thought Tru played outstanding," Mandrell said. "I don't know what they saw on film, but obviously they thought their guy was better than him. I think he proved them wrong."

Bowie's pre-district part of the season is over as it heads into the byeweek. Mandrell plans to ease off the gas pedal a bit this week unless he senses his team's mind is not in the right spot.
