They're so 'egg-cited' and just can't hide it

Left and Above: Children take off for the prized eggs during one of the Eggstravaganza hunts held Saturday in downtown Piedmont. Hundreds of children and adults celebrated the perfect weather and fun activities during the annual event.

Right: Charlie Rose, 13 months, shows off her Eggstravaganza style with her bunny ears and pretty Easter dress. Charlie was fascinated with the petting zoo at the annual Piedmont event. See more photos inside this edition of The Piedmont-Surrey **Gazette**. (Photos by Traci Chapman)

Piedmont sales tax revenues fall in April

By Traci Chapman Managing Editor

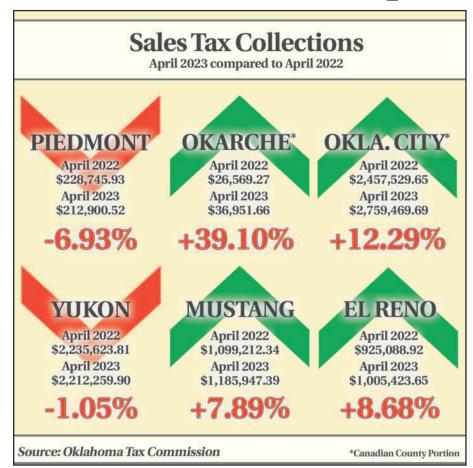

Piedmont saw a drop in sales tax revenue in April, both compared to March and the same reporting period in 2022 and in both Canadian and Kingfisher counties.

Oklahoma Tax Commission's April report indicated Piedmont this month collected \$212,901, a 6.93% drop from April 2022's \$228,746. The city in March posted revenues of \$213,467, according to the state tax collection agency.

In Kingfisher County, Piedmont's April sales taxes totaled \$7,795; the same time last year those revenues were \$10,776, and last month's revenues allocated to that county were reported as \$11,666.

Piedmont was one of three

Manske pushes SH-66/Banner safety upgrades

By Conrad Dudderar Staff Writer

A new Canadian County commissioner is confident that a longawaited permanent upgrade to make a high-profile intersection safer will start in 2023.

The State Highway 66 and Banner Road area - just west of Yukon - is in first-year County Commissioner Tom Manske's district.

Since SH-66 is a state highway, the Oklahoma Department of Transportation (ODOT) will hire a contractor to make improvements to this intersection.

"I have been progressive about working to get ODOT with us on the Banner-Highway 66 intersection," District 1 Commissioner

Obituary

Campbell

Melinda "Mindy" (Gray) Campbell passed away peacefully on April 1, 2023, from cancer, surrounded by her loving family.

She was born on Oct. 13, 1953, in Manhattan, Kansas, to William and Myrna Gray. She married Ralph Campbell in June1990 and they spent the next 33 years building a wonderful life together.

She enjoyed many motorcycle trips, traveling and camping with friends. She also enjoyed shopping, crafting, reading, playing cards at the lake and watching HGTV for ideas for the home and most of all loving her children and grandchildren.

After retiring from Prime Operating, she moved to Lake Eufaula with her husband. Min-

dy is a graduate of Putnam City Original Class of 1972 and had attended Arapahoe Community College in Colo-

Mindy is survived by her husband, Ralph Campbell; mother, Myrna; children, Luke Gregory (Theresa) Choctaw, Oklahoma, Christen Hannegan (Chad) Piedmont, Oklahoma, Jenni-

fer Andrews (Jake) Yukon, Oklahoma, Sarah Yager (Brian) Yukon, Oklahoma, Darla Brown (Kevin) Yukon, Oklahoma, and Bryan Campbell (Heather Johnson) Laramie, Wyoming; grandchildren, Katie, Carly, Cade, Alexandria, Jordan, Jake, Peyton, Kameron, Gracie, Bricen, Benson, Shanci, Ariel, Derick and Cash; and great-grandchildren, Beckham and Phoenix

Mindy will always be remembered for her loving and generous heart, her sense of humor and her unwavering loyalty to her family and friends. She will be deeply missed by all who knew her.

A celebration of Mindy's life will be held at 2 p.m. Saturday, April 22, 2023, at Saint Augustine Episcopal Church, 14700 N. May Avenue, Oklahoma City, Oklahoma. Flowers can be sent to the funeral home or direct to the church.

Online condolences may be signed at www. yandafuneral.com. Arrangements are under the direction of Yanda & Son Funeral Home and Cremation Services, Yukon, Oklahoma.

Local BMX riders qualify for world championships

By Alan Chapman *Contributing Writer*

Yukon BMX Raceway recently announced that 5 of their riders have qualified for this year's World BMX Championship in Glasgow, Scotland. The 5 will represent Team USA on the world stage in this international competition.

Seth Sprang, Jamie Hardwick, Keeaira Sherrill, Camdyn Cole and Clint Dailey are all hoping to make the trip this August, but with an estimated cost of up to \$5000 per person to make the trip, it's not an easy undertaking. Flights and accommodation are one thing, but each rider takes two bikes, helmet, racing safety gear, with essential parts, and may have to purchase other things when they get there. Some of the riders have factory sponsorship, but with the riders wearing Team USA jerseys, the sponsors don't always pay for events like this.

Clint Dailey, who also coaches at Yukon BMX, will be making the trip. "Every country, they go through their qualifying round, you have to qualify to get there. The top riders all meet at this location to race. When it comes to world, it's really just age groups: there is no class proficiency. I need to go back and win a second title!"

Fourteen-year-old Keeaira Sherrill from Yukon qualified for the second time, but she is hoping that this time she will be able to make the trip. "The world qualifier was in Florida this year. I qualified out for worlds and I was in Second: the top two made it. I've never been out of the country before so it would be really cool to go and race!" A regular at the Yukon track, Keeaira explained why she loves the sport. "I race here almost every Tuesday and

Camdyn Cole is one of five Yukon BMX riders who have qualified for the World BMX Championship in Glasgow, Scotland. Camdyn is a student at Mustang Public Schools. (*Photo by Alan Chapman*)

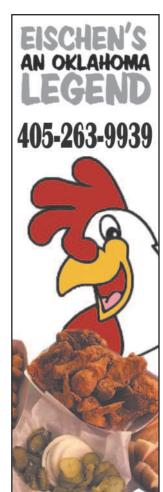

Saturday. I love racing out here: the people out here are great, and everybody's really nice and helpful. We're all like a family."

Camdyn Cole, who attends Mustang schools, qualified for the third year in a row. She attended the competition in France last year, but her first qualifying contest was cancelled due to the pandemic. "I'm very excited" said Camdyn, "My grandma, she got me a shirt and some socks with the Loch Ness Monster. I want to do that and see some castles!" Next year the contest will be held in South Carolina said her father Kevin.

Anyone interested in sponsoring or contributing to help send these local riders to the World BMX championship can contact Yukon BMX Raceway through their Facebook page, email,

phone, or better yet, go out to see them any night of the week.

County commissioners dropped from home raid suit

By Conrad Dudderar Staff Writer

EL RENO — Canadian County Commissioners have been dismissed from a lawsuit filed by a man claiming county sheriff's deputies illegally raided his home.

District Judge Khristan K. Strubhar on March 30 dismissed all claims against the Board of County Commissioners of Canadian County.

A hearing on a motion to dismiss regarding claims against Canadian County Sheriff Chris West has been continued to May 30.

Brandon Michael Whitman on Oct. 3, 2022, sued Canadian County's elected sheriff and commissioners for infliction of emotional distress, negligence that led to physical and emotional injuries and loss of his electronic equipment.

The civil action stems from a January 2022 incident at Whitman's home on Sunway Street.

Judge Strubhar dismissed the County Commissioners from the suit after reviewing court pleadings and hearing arguments of attorneys on both sides.

Plaintiff Whitman appeared through his attorney Doug Carel and the defendants were represented by attorney Stephen Geries at the March 30 hearing.

The plaintiff's claim for emotional negligent infliction of emotional distress was dismissed and he was given 45 days to amend the petition if he chooses.

"(N)egligent infliction of emotional distress is not an independent tort recognized under Oklahoma law," defendants' attorney argued in a brief filed March 23.

"Rather, emotional distress is merely a category of damages which may be awarded to a plaintiff in certain negligence actions where the plaintiff has suffered emotional distress associated with some physical injury caused by the defendant."

In November 2022, attorney Geries filed the motion to dismiss the plaintiff's claims against Canadian County Commissioners and Sheriff West because the lawsuit was "devoid of any factual allegations implicating" them.

"Defendants are immune from suit for all of plaintiff's claims pursuant to the terms of the Oklahoma Governmental Tort Claims Act," according to a brief signed by Geries

The lawsuit is "devoid of any allegation of fact" indicating that Whitman suffered any physical injuries that resulted from any conduct by West or any other agent, employee or officer of the Canadian County Sheriff's Office," the motion reads.

Strubhar

'CAN BE NO JUSTIFICATION'

Sheriff's deputies raided Whitman's eastern Canadian County home after the plaintiff's Facebook account was hacked and child pornography images were posted to the account, according to the lawsuit.

Although the hack issue had been resolved in August 2021 after being reported to Oklahoma City Police, Whitman alleges "numerous" Canadian County sheriff's deputies on Jan. 12, 2022 walked down his street with brandished firearms, circling his property and frightening his neighbors.

"(I)n front of plaintiff's wife and minor daughter, Canadian County Sheriff's deputies burst into the plaintiff's home, detained plaintiff and his family and removed every computer and electronic item contained in plaintiff's home," according to the petition.

In the suit, Whitman claims he tried to explain to the armed sheriff's deputies that his Facebook account had been hacked. The plaintiff alleges he was treated rudely and was ordered to remain seated while his personal property was removed from the home.

"The plaintiff uses his computers for work," the suit reads. "Despite his repeated pleas for the return of his personal property, he was ignored by West for several weeks."

The personal property was returned to Whitman on Feb. 10, 2022. He was never arrested or charged with a crime.

In a court brief filed Dec. 9, 2022, attorney Carel wrote that sheriff's investigator David Cates "was apparently unable to unearth the fact that the plaintiff's account had been hacked" and this was reported to Oklahoma City Police and Facebook in August 2021 – five months before the raid.

"There can be no justification for such shod-

dy and inept police work," the brief reads. "Defendants cannot claim that armed officers barging into one's home are not an endangerment, and defendants can certainly not claim that they exercised any duty of care whatsoever in raiding plaintiff's home."

The "slightest bit of police work" done by Sheriff West and his deputies would have revealed Whitman "had nothing to do" with the child pornography posted to his social media account, the plaintiff's attorney argued.

"It defies belief that any investigator, with any experience whatsoever, would believe that an individual that reported the existence of child pornography on his computer to law enforcement would be guilty of having child pornography on his computer that he had personally put there."

SEARCH WARRANT AUTHORIZED

Judge Strubhar is due to hear the motion to dismiss the suit against Sheriff West at 1:30 p.m. May 30.

Attorney Geries has argued the plaintiff cannot claim Canadian County's sheriff "breached any legal duty owed to him with regard to the purported 'raid' of his property."

That's because the search of his home and seizure of his electronic equipment were conducted pursuant to a search warrant authorized by Canadian County Special Judge Charles Gass.

The Canadian County Sheriff's Office had received information indicating that images of child pornography had been downloaded at the IP address at the plaintiff's residence, according to a search warrant affidavit signed by investigator Cates.

This gave the sheriff's office "probable cause to believe that images of child pornography may have been stored on digital devices at (Whitman's) residence, regardless of plaintiff's own involvement or lack of involvement therein," attorney Geries' March 23 motion reads.

"Accordingly, plaintiff's negligence and conversion claims against the defendants should be dismissed with prejudice pursuant to (state statute) for failure to state a claim upon which relief can be granted."

Whitman's electronic equipment was returned to him after the property had been examined and the investigation concluded, according to the court brief.

THE PEOPLE OF OKLAHOMA OIL AND NATURAL GAS ARE MAKING A HUGE IMPACT ON OUR STATE.

They're Oklahoma's single largest taxpayer. The only industry that directly funds Canadian County schools. The top driver of the state's economy. The largest contributor to household income. They produce the energy we all need and do it reliably and responsibly. In short, they make modern life go and are vital to Oklahoma. View the full report at OERB.COM/ECONOMIC-IMPACT.

Duo plead no contest to illegal drug cultivation

Transported 25 pounds of pot in Canadian County without required license

> **By Conrad Dudderar** Staff Writer

EL RENO — Two men have pleaded no contest to endeavoring to cultivate illegal drugs in Canadian County.

Oklahoma City's Weiyang Huang, 40, and Qiaming Mei, 40, received four-year deferred sentences at a March 24 hearing before Canadian County Special Judge David H. Halley.

Huang and Mei violated the Uniform Controlled Substances Act in April 2022 by possessing marijuana seedlings/plants for the purpose of cultivating marijuana plants with a required license.

They were arrested after being found with about 25 pounds of marijuana during a traffic stop near State Highways 81 and 152 in Union City.

Neither man had in their possession a medical marijuana transport license or any licensing from the state of Oklahoma for disposal of marijuana waste.

Canadian County prosecutors in May 2022 formally charged Huang and Mei, who both previously lived in San Francisco, Ca-

Huang, represented by attorney Jason Riddle, and Mei, represented by attorney Allison Martuch, each faced up to 10 years in prison and a \$50,000 fine.

Judge Halley accepted Huang's and Mei's no contest pleas at the March 24 sentencing hearing after a plea agreement between prosecutors and the defendants.

Huang and Mei will be supervised by the Canadian County District Attorney's Office and be subject to random drug tests while on probation.

They were each ordered to pay \$4,000 fines, \$100 victim's compensation assessments and court costs.

FOUND IN PICKUP BED

On April 28, 2022, Union City Police Capt. Jonathan Noteboom and officer Thomas Glosser stopped a Dodge Ram pickup with a New York license plate traveling south on SH-81.

Huang was driving the truck and Mei was the passenger.

Officer Glosser immediately smelled a "strong odor" of marijuana coming from the vehicle while speaking with the occupants, according to a probable cause affidavit.

Capt. Noteboom and officer Glosser asked both men to exit the vehicle while they searched inside.

"Officer Glosser looked inside the bed of the truck and observed two large black trash bags that were tied at the top," according to the affidavit. "He opened the trash bag closest to the rear of the vehicle and observed multiple suspected marijuana plants."

The other bag contained a "large quantity of marijuana yearlings."

Local dancers to perform for Yukon Nutcracker benefit

By Conrad Dudderar Staff Writer

A group of young Yukon dancers will showcase their moves at a Friday night benefit.

Historic Yukon Czech Hall, 205 N. Czech Hall Road, will be the site of Central Oklahoma Ballet's "Boots & Ballet" from 7-10 p.m. April

This event will raise funds to cover production costs of Yukon's 2023 "Nutcracker" program, held in December.

Local Central Oklahoma Ballet dancers have been rehearsing in preparation for their special performance at this Friday's Boots & Ballet. In between breaks, they will perform to the songs "Hoe Down" and "Oklahoma!"

The dance performance is being coordinated by longtime COB artistic director Debra Vossen.

TWO STEP-LESSONS

Friday night's Boots & Ballet will start with

two-step lessons led by country dance instructor Anthony Clark.

Toes will be tappin' and boots will be scootin' as they audience listens to live country and western music performed by the Wilton O'Neal Band.

Featured silent auction items are a Lake Eufaula weekend retreat, restaurant gift certificates, private tour of a local distillery, free trapeze yoga classes and a free haircut.

There will be heavy hors d'oeuvres and a cash bar Friday night at Yukon Czech Hall. A wine pull will feature bottles from wineries in Oklahoma and other states; chances are \$20.

This marks the first time the ballet company has started fundraising in the spring for its Yukon Nutcracker production.

Admission is \$35 per person. Tickets may be purchased online at www.centralokballet.org.

Read The Piedmont-Surrey Gazette online at piedmontnewsonline.com for updates to local news and sports.

Gardeners plant Swap set for Saturday

Canadian County Master Gardeners will offer reasonably sized and reasonably healthy. plant enthusiasts an opportunity to make some changes during a Yukon plant swap this Satur- provided that can be used to pick out a new plant. day, April 15.

The event will be held at Yukon Community Center, located at 2200 S. Holly Ave., beginning

Participants are asked to arrive at 9:30 a.m. to allow organizers to place plants, provide tickets and answer questions.

To swap plants, bring labeled plants that are

All ornamental flowers, shrubs, vegetables,

herbs, seeds, and bulbs are welcome; do not bring weeds.

Officials instructed participants to label all plants by name and if possible, provide a picture of the foliage and flowers if bringing seeds and/ or bulbs and to also bring a container or box to carry swapped plants away in.

On the city's use tax ledger, April collections were slightly better news, OTC records showed. This month, the city generated \$88,776 in Canadian County-allocated use tax revenue and

\$7,837 attributed to Kingfisher County. That compared to April 2022's totals of \$93,478 and \$5,073 in Canadian and Kingfisher counties, respectively, and in March, Piedmont's use tax collections totaled \$74,205 in Canadian County and \$4,268 on the Kingfisher

Wassana gives Fort Reno testimony to Congressional panel

Cheyenne and Arapaho Tribes Gov. Reggie Wassana submitted testimony to the United States House Committee on Ways and Means Chairman Jason Smith, addressing the tribes ongoing efforts to reclaim Fort Reno. The testimony was submitted in March.

The C&A have long contended the Fort Reno lands were taken from them and have sought the return of the property.

Wassana met last year with Congressman Frank Lucas to discuss the matter, and while Lucas did not offer support for the C&A claim, Wassana said he was pleased with the tenor of the meeting.

Below is Wassana's letter to the Ways and Means Committee of the U.S. House of Representatives:

"Please allow this correspondence to serve as a request to submit testimony to the United States House Committee on Ways and Means. This written testimony is in regard to our ongoing recovery efforts for the return of the Fort Reno Lands, next to our current tribal lands located in El Reno, Oklahoma.

The tribe's land was seized by the U.S. Government a century ago to be used by the mili-

tary and was to be returned after said use. The boundaries of the original Cheyenne and Arapaho reservation in Western Oklahoma were established by Executive Order in 1869.

Fort Reno consisted of 9,600 acres that were carved out of the tribe's land in 1883 for "military purposes exclusively" with the Tribes land to be returned after it was no longer used by the

Wassana

In 1890, the Tribes ceded by Act of Congress, March 3, 1891, 26 Stat. 989, at 1022: Cheyenne and Arapaho Tribes vs. Oklahoma 618 F.2d 665 (10th Cir. 1980).

Fort Reno was NOT included in this cession (Memorandum John Leshy, Department of Interior, 26, February 1999).

Please note that the U.S. Government established a Cheyenne and Arapaho Reservation in 1869 after the Medicine Lodge Treaty of 1867. The Cheyenne Arapaho peoples did not stay on this reservation.

The Cheyenne Arapaho people numbered approximately 972 when they were forced on the Cheyenne and Arapaho Reservation in 1877 by the U.S. Military. It was one year after the Battle of Little Big Horn in 1876.

In 1890 the Tribes ceded their interest in the

1869 reservation lands by signing an "X". (Act of Congress, March 3, 1891).

[In] 1937, one thousand acres of Fort Reno were transferred to the Department of Justice for a prison facility (Act of Congress, May 24, 1937, PL 75-103).

In 1946, Congress formed the Indian Claims Commission for the purpose of addressing the claims of land lost prior to August 13, 1946 (25 USCA, sec. 70a). Fort Reno was still occupied by the military and the Cheyenne and Arapaho Tribes land should have been returned.

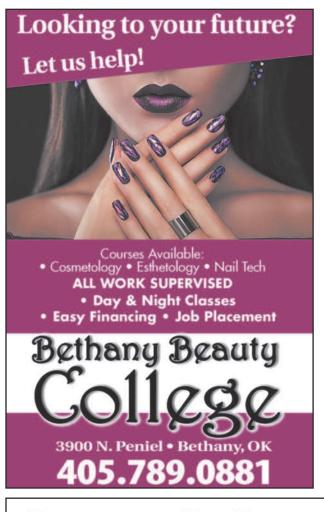

In 1948, the Army closed its remount station and transferred 8,500 acres of Fort Reno land to the USDA. The USDA executed agreements with the U.S. Foreign Aid Service to train mules. In 1949 and 1951, Congressman Toby Morris introduced legislation to return 7,000 acres to the Cheyenne and Arapaho Tribes but the legislation failed.

In 1954, the U.S. Foreign Aid Service held hearings on the Tribes claim and once again re-assigned Fort Reno for "Possible Military Use."

In 1963, the Secretary of the Interior transferred another 1,500 acres of the Fort Reno land to the Department of Justice to expand prison facilities.

In 1965, the tribes settled a compromise claim for the lands ceded in 1890 due to the

Upgrades

From Page 1A

Manske said during the April 4 Yukon Legislative Breakfast.

The goal is to make it safer for all motorists – including large truck traffic and Canadian Valley Technology Center students – who use that intersection.

"It gets really dark there, so our plan is to increase the lighting, upgrade the 'four-way stop' there since people are used to that, add rumble bumps, clean up the signage and put in some flashing lights," Manske said. "I'm still working out the details with the Department of Transportation."

Once the permanent upgrade project is finished, Canadian County District will help maintain the intersection.

Manske supports SH-66/Banner Road remaining as an all-way stop control.

Other design alternatives previously suggested were to install a single-lane roundabout or a fully signalized intersection, both of which would be more costly.

Manske, starting his fourth month as District 1 commissioner, is seeking other improvements along Banner Road between SH-66 and Interstate 40. Canadian County is responsible for a large part of this section, he noted.

"We're already in the process of visit-

Construction Alert

Road construction has begun on 164th between Mustang and Sara roads. The Apache NW project (from Piedmont Road to Frisco Road) is now set to begin April 17. See next week's Piedmont-Surrey Gazette for an update on city road projects.

ing with engineers about upgrading that and making it safer," he said. "We are in discussions with the Department of Transportation.

"Our ultimate goal is to make that straighter with better pavement. It's pretty rough right now. It's pretty tore up."

If funds are available, Manske also hopes a new bridge will be installed on the north side of SH-66 at Banner Road.

A resolution must be approved by ODOT officials and Canadian County commissioners before work begins.

"I would like to get some kind of progress started this year," he said. "That's my personal goal."

ODOT spokeswoman Lisa Shearer Salim shared the department's determination to make the SH-66/Banner Road area safer for the traveling public.

"We are reviewing a resolution from the Canadian County commissioners in which the county has requested the intersection become a permanent fourway stop," Salim said.

"It will most likely move from the May tentative bid opening, but it will go to bid this year as soon as we get everything reviewed and agreed upon."

The intersection had been the site of dozens of serious traffic collisions - including several deadly crashes - over several decades.

ODOT made "interim" safety improvements after a collision in November 2019 that killed Yukon businessman Ray Davis.

In February 2020, the intersection was reconfigured to an all-way stop with flashing red beacons in all directions.

"People are used to it now and it flows pretty well," Manske noted. "You haven't heard of any accidents there since."

Other temporary upgrades were to close one approach lane and install rumble strips and advance warning signs.

Previously, only traffic on Banner Road was required to stop at the intersection and there was no control for eastbound and westbound traffic on SH-66.

Flashing beacons had faced each approach, flashing red toward Banner Road and yellow toward SH-66.

In June 2020, Canadian County Commissioners approved an agreement with ODOT for an "intersection modification" project at SH-66 and Banner Road.

That agreement called for ODOT to cover a construction cost of up to \$450,000 from the state's traffic safety funds.

Local lawmakers look to tighten marijuana laws

By Conrad Dudderar Staff Writer

Buoyed by voter support, a Yukon state representative says legislators continue efforts to "tighten" Oklahoma's marijuana laws.

The state has been known in some circles as the "wild west of marijuana" since Oklahoma voters legalized medical marijuana almost five years ago, according to District 60 State Rep. Rhonda Baker, R-Yukon.

"I would still say that's where we're at," Rep. Baker said during the April 4 Yukon Legislative Breakfast at Olde Orchard Restaurant, 326 Elm.

"We have deactivated over 800 illegal marijuana farms, which is great. It is a start. We have seized over 600,000 pounds of illegal marijuana. So, that's the problem - the black market."

In a March 7 special election, some 61.7% of Oklahoma voters rejected a proposal that would have legalized recreational use of marijuana for adults ages 21 and older.

State Ouestion 820 was defeated by a margin of 349,284 voters rejecting the measure and 217,078 casting ballots in favor of it. In Canadian County, the measure was opposed by 64% of a total 23,190 voters casting ballots.

"Recreational marijuana failed – it should have," Rep. Baker told the audience during Tuesday's Legislative Breakfast sponsored by the Yukon Chamber of Commerce.

"Everybody recognizes that even though we have what is called 'medical marijuana,' that state question (788) was so loosely written."

Oklahoma legislators have had to go through and pass bills as quickly as they could "to try and bring this back into check," the four-term state lawmaker added.

The state of Oklahoma legalized medical cannabis in June 2018, when voters passed SQ 788 with 57% of the vote.

Patients with a state-issued medical marijuana license are legally able to possess, purchase, cultivate and consume marijuana products.

The state of Oklahoma now has 2,877 dispensaries.

"In other states that have a higher population, there might be 100 dispensaries," Rep. Baker said. "So, we still have a long way to go to bring that into check."

First-year Senator Jack Stewart (R-Yukon)

Four-term District 60 State Rep. Rhonda Baker (R-Yukon) talks about how Oklahoma became the "wild west of marijuana" during the April 4 Yukon Legislative Breakfast. The Yukon Chamber of Commerce sponsored by breakfast at Olde Orchard Restaurant, 326 Elm. (Photo by Conrad Dudderar)

talked at Tuesday's breakfast about new legislation introduced this session aimed at medical marijuana reform.

"A lot of it focused on stopping illegal businesses," he explained.

A former three-term county commissioner, Sen. Stewart said Canadian County has "a lot" of registered medical marijuana grow operations.

"It gets into other issues, (such as) the amount of groundwater they're using," Stewart

SQ 820 was opposed by Gov. Kevin Stitt, the Oklahoma Sheriffs Association, Oklahoma District Attorneys Association, Oklahoma Association of Chiefs of Police, State Chamber of Oklahoma, Oklahoma Farm Bureau, Greater Oklahoma City Chamber of Commerce, Oklahoma Cattlemen's Association and Oklahoma faith leaders.

The recreational marijuana proposal was supported by criminal justice reform advocates, the American Civil Liberties Union (A.C.L.U.), Oklahoma Cannabis Industry Association, National Organization for the Reform of Marijuana Laws (NORML), United Food and Commercial Workers Local 1000 and Students for Sensible Drug Policy.

Legal recreational marijuana has been approved in 21 U.S. states (plus the District of Columbia), according to U.S. News and World Report. Oklahoma is among 37 states that have legalized medical marijuana.

'A TRUE CHALLENGE'

Oklahoma School Superintendent Ryan Walters has "no relationship" with the state legislature, Rep. Baker told Yukon Legislative Breakfast attendees.

A former schoolteacher, Baker chairs the state House Common Education Committee.

Walters has been invited to present to the committee his findings about what he deems are offensive and pornographic books in Oklahoma schools - and to answer members' questions.

So far he's refused to appear before the committee and have a conversation.

Wassana

From Page 6A

manner in which the Cheyenne and Arapaho people were severely taken advantage of. However, the Fort Reno lands were not included in this settlement due to it still being used for "Possible Military Use" as proven and stated by the USDA.

Over the course of the next several decades the Fort Reno lands were declared "redundant, outdated and duplicative" by the Congressional Research Service and USDA. In 1999, the Department of Interior issued a legal opinion that recognized arguments concerning Fort Reno as "credible and equitable, if not judicially cognizable."

Since that time, there have been failed congressional attempts to open the land for stripping of minerals out of Fort Reno. There were successful appropriations bills to prevent transfer of the land to the Cheyenne and Arapaho Tribes per provisions in the Farm Bill.

Currently, the Cheyenne and Arapaho Tribes

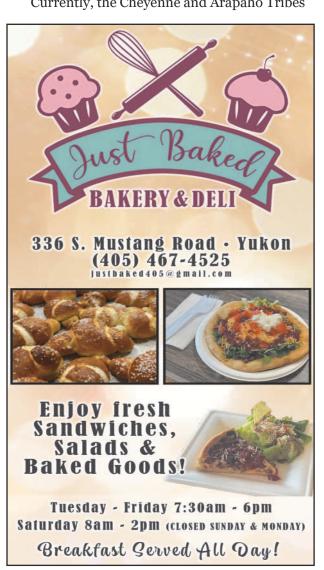

are diligently striving to recover Fort Reno lands for the future generations of the tribe. We are adamantly working towards revitalizing our languages, culture and land that we have lost due to forced assimilation, colonization and genocide of our people. We are also repatriating remains of our people that are being held in museums and we are seeking to recover our lands that were taken by the federal government, namely Fort Reno. As a nation that has been forced through the process of assimilation for the last 154 years, we are in the best position by far currently.

Our tribes are successful, educated and providing community services to tribal and non-tribal citizens in our tribal jurisdiction. Fifty-five percent (55%) of our workforce are non-tribal. We have a positive economic impact in Oklahoma and are the largest employer in Western Oklahoma.

We, the Cheyenne and Arapaho Tribes are seeking your support in our efforts to recover our lands currently held by the USDA. The USDA acknowledges that the Cheyenne and Arapaho Tribes are the owners of the lands known as Fort Reno.

The USDA will detail what is needed to make the transfer of the tribe's property back to us upon request. We are asking your review and consideration and support in our recovery of the return of our land back.

The Farm Bill as last adopted has barriers that keeps the Chevenne and Arapaho Tribes from regaining possession. We ask that this language be deleted and help us to continue to grow the local economy with the tribal supports we have established."

We're your Shelter.

Streaking through the neighborhood

Piedmont pounds Guthrie twice as unbeaten streak reaches nine

Read The Piedmont-Surrey Gazette online at piedmontnewsonline.com

> By Blake Colston Sports Editor

Piedmont's baseball had been waiting for a test in district play like Guthrie seemed likely to provide Monday afternoon.

As it turned out, the Wildcats had some more waiting to do. Piedmont scored five times in the first two innings on their way to an 11-1 run-rule victory over the previously-unbeaten-in-districtplay Blue Jays.

Centerfielder Weston Thomas led Piedmont (16-4, 9-0) at the plate with a grand slam, a triple and five RBI's as the Wildcats beat up on Guthrie starting pitcher Zach Henry.

Henry allowed five hits and five runs through two innings, but only one of the runs was earned thanks to three Blue Jay errors.

PHS starter Jakeb Koop cruised through two innings of scoreless work before rain and lightning in the area forced a long delay.

When the game resumed, Piedmont, winners of nine straight, went right back to bludgeoning the Blue Jays (17-4, 8-1), and the Wildcats coasted to its eighth

See Streak, Page 2B

Pitcher Jakeb Koop delivers a pitch during the first inning of Piedmont's victory over district rival Guthrie on Monday in Piedmont. On Tuesday the Wildcats completed a two-game sweep of the Blue Jays with a 10-1 win. (Photo by Blake Colston)

Eight sign their **National Letters of Intent Wednesday**

By Blake Colston Sports Editor

Wednesday was a special day for nine Piedmont High School athletes who signed their National Letters of Intent during a National Signing Day event held

Below is the full list of signees.

Jackson Califano, Baseball, **Carl Albert State College**

Califano is a 6-foot-4 lefthanded pitcher with a mid 80s fastball,

- what else needs to be said? That combination and potential for growth is always going to catch the eves of college baseball coaches. Califano made his verbal commitment Carl Albert State after an impres-

Califano

sive sophomore season and made things official on Wednesday.

Emery Hulme, Volleyball, **Rose State College**

Hulme

Hulme was one of Piedmont's top players the two seasons and could carve out a role as a defensive specialist at Rose State early in her career in Midwest City. PHS head

coach Tom Wil-

liams said Hulme is a 'good server, plays good defense and passes

Signing Day

From Page 1B

Kaylie Marshall, Volleyball, **Southern Nazarene University**

Marshall is one of the top athletes in her class and has barely scratched the surface of her potential. She led Piedmont's team in kills this season as the Ladv Wildcats reached the state tournament for the second straight year. Following the season, in January, Marshall committed to SNU. The Crimson Storm finished 16-14 last season, including a 9-7 mark in Great American Conference play.

Marshall

Kanyon Cobbs, Cross Country and Track and Field, **Oklahoma City University**

Cobbs is aiming to be part of his third state championship team in the last two seasons at PHS. He will play an integral role on the Wildcats 4-by-400 and 4-by-800 relay teams, which are among the fastest in the state. Last fall, Cobbs competed on Piedmont's state championship cross country team,

Cobbs

so he has versatility.

Reese Fricke, Track and Field and Cross Country, University of Tampa (Fla.)

Fricke verbally committed to Tampa (Fla.) following a visit to the school earlier this year. He chose U of T over offers from several other programs. The defending Class 5A cross country state champion plans to compete on Tampa's track and cross country teams, he said. Before he heads for Florida, Fricke would like to help PHS win its second straight track and field state title.

Fricke

Jillian Crawford, Basketball, **Southern Nazarene University**

Crawford scored almost 12 points per game this season while grabbing 3.9 re-

bounds and 2.1 assists while leading Piedmont to a regional title. The 5-foot-10 guard has the ability to finish at the rim and can knock down an outside shot. Crawford made 33% of her 3-point tries in her career. She's the third of her four sisters to sign to play college

Crawford

basketball, following Delanie (University of Tulsa) and Regan (Harding University.)

Amanda Lane, Golf, Northwestern Oklahoma State University

Lane shot an 85 at the Class 5A state tournament a season ago and early this spring carded an 81 at a tournament at Tulsa's LaFortune Park, where PHS finished fourth as a team. Head coach Joe Crawford said Lane is a hard worker, so her best golf could easily still be ahead of her as she heads off to Alva.

Lane

Fallon Brock, Soccer, Southwestern Oklahoma State University,

A skilled defender who is also an adept pass-

er and offensive player, Brock will join former Piedmont star Aspen Cope on the Lady Bulldogs roster after Brock verbally committed to SWOSU in March. Last season, she helped Piedmont reach its first state title game in program history. Brock plans to major in sports performance and nutrition in Weatherford.

Brock

Streak

From Page 1B

run-rule victory in nine district contests.

After Koop retired Guthrie in order in the top half of the first, Piedmont lead off hitter Luke Hill advanced to third base by taking advantage of two errors by the Blue Jays on the same play. Reid Smith followed with an RBI-single to left field, then Thomas tripled off the wall in right-centerfield to plate Smith.

The Wildcats weren't done, though. Cleanup hitter Noah Smith doubled over the head of Guthrie leftfielder Jackson Walters to increase the 'Cats lead to 3-0, and Smith was able to score on an RBI-groundout from Logan Hill later in the frame.

After another scoreless inning of work from Koop, PHS added to its 4-0 lead in the second inning on three consecutive singles from Cole Pruitt, Luke Hill and Smith. Lightning was detected near the stadium a few minutes later and the game was delayed for almost two hours, but Guthrie didn't fare any better when play resumed after the weather passed.

The Wildcats outhit the Blue Jays 10-3 while playing a clean game in the field. Guthrie committed three errors on its way to a third consecutive loss.

NEXT UP

Piedmont travels to the Tulsa area for three games on Friday and Saturday at the Bixby/Broken Arrow Turf War.

The Wildcats play Class 3A schools Salina and Eufala on Friday, then will face Deer Creek on Saturday before returning to district play Monday and Tuesday against Bishop McGuinness.

The Wildcats (10-0 in district play) currently lead McGuinness and Carl Albert (each 9-1) by one game in the race for a district crown.

PHS and Carl Albert will meet April 24 in Midwest City and again April 25 at PHS.

From Page 1B

flicked a quick shot off his right foot that deflected off the Tigers' goalie and into the back of the net.

That individual play, combined with a first-half goal from Chase Duke, was enough to lift the Wildcats to a 2-0 win over the Tigers on a seasonably cool Friday evening inside F&M Bank Stadium.

"There are 11 players on the field, but sometimes it takes a little spark from one person to really get the game going," head coach Thomas Sedgwick said of Duke and Hillman.

Duke provided the first big jolt of momentum for PHS in the 32nd minute as he out-maneuvered two defenders and snuck a shot past the keeper to break a scoreless tie.

"He really showed his athletic ability," Sedgwick said.

· Pain when going up or down stairs

Later, with the 'Cats clinging to that same one-goal advantage, Hillman found space on the outside of the defense and capitalized to give Piedmont some room to breathe.

"He had a good understanding of where the space was and exploited it," Sedgwick said of Hillman's score in the 67th minute. "To get that second goal really settled things."

The Wildcats battled a physical Guymon team that was allowed to wield its collective size and strength without much interference from the officials. That caused Piedmont some problems for much of the first half, but the 'Cats eventually found their way.

"We had to accept that fouls were going to be called and then they weren't going to be called," Sedgwick said. "You just have to play to the whistle."

PHS goalie Jay Brinsfield made a handful of impactful saves throughout the game as the Wildcats recorded their third shutout victory this season. Brinsfield wasn't under constant duress, but was up to the challenge when Guymon was able to produce shots on goal.

"Sometimes it's a lonely job. You can sometimes not have any opportunities then one arises and you have to step up to the plate," Sedgwick said. "Jay did a great job of that."

Piedmont followed up its win over Guymon with a 3-2 triumph over Carl Albert on Tuesday.

Next up, Piedmont will face district frontrunner Bishop Mc-Guinness on Friday night in Oklahoma City. Kickoff is slated for 8 p.m.

Read The Piedmont-Surrey Gazette online at piedmontnewsonline.com.

'Hat Trick Hahn' does it again

Jordan Hahn scored three goals for the second game in a row as Piedmont defeated Carl Albert 3-0 Tuesday evening at F&M Bank Stadium. (*Photo by Rhonda Stovall*)

Lady 'Cats

From Page 1B

after intermission to provide more than enough offense for PHS to roll to its second shutout victory in as many games.

Evelyn Sydnes chipped in with two first-half goals as Piedmont continued to rebound from an offensive drought that was part of a four-game losing skid earlier this season.

"Our offense is still sputtering a little bit. I think we could've had more than (five goals) tonight," head coach Brad Brucker said. "But I think it's really good for a kid's confidence to get a hat trick, so I was really happy about that for Jordan."

Hahn missed time while recovering from a concussion the last few weeks, but made easy work of the Tigers' defense while sliding back into her role as one of the Lady Wildcats' top scoring threats.

"When she's scoring goals, the whole group is a lot more confident," Brucker said. "Tonight was a good step forward."

Following a win over Carl Albert on Tuesday night, Piedmont will play its most important regular season game to date on Friday in Oklahoma City when the Lady Wildcats travel to Bishop McGuinness to face the defending Class 5A state champion Fighting Irish.

The matchup will serve as a rematch of last season's state championship game won by BMHS, 1-0, and is also a de facto district title tilt. McGuinness is unbeaten (7-0, 4-0) and has allowed only one goal this season while scoring

WHY CHOOSE WILSON...

WILSON CARES.

Kennedy and Lane Winter and the Wilson Funeral Home team are your neighbors over in Kingfisher. In fact, the Winter family has been lifelong residents of Kingfisher County. Kennedy's heart of compassion and unwavering commitment to serve grieving families in her community made her a perfect fit to be the Managing Funeral Director of Wilson Funeral Home in Kingfisher.

Kennedy's desire is to do anything she can for families and to give them the freedom to not only grieve, but to truly celebrate the unique life of their loved one. It has also been her mission to surround herself with a team of like-minded individuals with a desire to serve others and minister to them during their time of need.

The team's compassion and heart for ministry combined with Kennedy's knowledge and attention to detail has enabled Wilson Funeral Home in Kingfisher to repeatedly exceed the expectations of the families we serve.

Why choose Wilson Funeral Home? Because WILSON CARES.

Piedmont Planning Commission Notice of Public Hearing

On Monday, May 1, 2023 at 6:00pm, the Piedmont Planning Commission will conduct a public hearing at George Fina Municipal Building, 314 Edmond Road NW, Piedmont, Oklahoma 73078. The following 5 items will be considered:

1. An Administrative Zoning Application will be considered. The property owner, Yankee Fence Company, LLC, has requested the following two (2) lots be re-zoned from the established A-1 (Agriculture District - 5-acre lot minimum) to the appropriate C-2 (General Commercial District) that has been in use as such since 1987 for the following described properties:

> Piedmont Original Town Lots 13 – 15, Block 37 (107 Madison Ave NE) Piedmont Original Town Lots 16 – 20, Block 37 (no address – vacant land)

2. An Administrative Zoning Application will be considered. The property owners, Ben Hickson and Caroline Fuller, have requested the following lot be re-zoned from the established A-1 (Agriculture District - 5-acre lot minimum) to the appropriate RS-2 (Single Family Residential District - 10,000 sf lot minimum) that has been in use as such since 1987 for the following described property:

Piedmont Original Town Lots 19-24, Block 13 (609 1st Street NW)

3. A Lot-Split Application will be considered. The property owners, Danny Waggener and Cheryl Nichelson, have requested a lot-split on the following one (1) acre lot at 1103 Van Buren Ave NW, Piedmont, OK 73078. The legal description is as follows:

Lena Mc Lots 7 & 8, Block 2 (1103 Van Buren Ave NW)

Danny Waggener and Cheryl Nichelson have requested the above property be split into two (2) lots (1/2 acre each). The legal description is as follows:

> Lena Mc Lot 7, Block 2 (1103 Van Buren Ave NW) Lena Mc Lot 8, Block 2 (not yet addressed)

4. An Administrative Zoning Application will be considered for the two (2) lots, previously mentioned above, from the established A-1 (Agriculture District - 5-acre lot minimum) to the appropriate RS-2 (Single Family Residential District – 10,000 sf lot minimum) that has been in use as such since 1987 for the following described properties:

> Lena Mc Addition Lot 7, Block 2 (1103 Van Buren Ave NW) Lena Mc Addition Lot 8, Block 2 (not yet addressed)

5. A Special Use Permit Application will be considered. The property owners, Lesley and Nicholas Henthorn, have requested to build a 1,500 square foot Accessory Dwelling Unit at the address of 1726 Morgan Rd NE, Piedmont, OK 73078. The legal description is as follows:

Southwest Quarter (SW/4) of Section Twenty Five (25), Township Fourteen (14) North, Range Five (5) West of the Indian Meridian, Canadian County, Oklahoma, described as follows: Commencing at the Southwest Corner of said SW/4; Thence due North along the West line of said SW/4 for a distance of 415 feet to the Point of Beginning: Thence continue due North along the Wet line of said SW/4 for a distance of 400 feet to a point that is 1822 feet south of the Northwest Corner of said SW/4; Thence South 89°41'50" Est for a distance of 510 feet; Thence South 12°28'27" West for a distance of 406.91 feet; Thence West 422.10 feet to the Point of Beginning.

Following the public hearing, the Piedmont Planning Commission may vote to determine at this meeting, if item(s) will be approved for recommendation to the City Council. Items can also be tabled until concerns have been addressed by the Planning Commission before recommendation is made for consideration of City Council meeting. If approved for recommendation, item(s) will be heard at the May 22, 2023 City Council meeting, at 6:30 p.m., at the George Fina Municipal Center. Any questions or comments may be directed to the Community Development Department at 314 Edmond Road NW, Piedmont, Oklahoma 73078 or by phone at (405) 373-2621.

Thirty-four Mustang students were among more than 400 from several Oklahoma school districts who participated in an April 6 Student Pilot Day in Tulsa. The event — the first of its kind — was designed to encourage youth to participate in and pursue aviation-related careers and learn more about flying and the aviation industry. (Photo courtesy)

A new flight path

Mustang students participate in inaugural Student Pilot Day

hirty-four Mustang students were among more than 400 from several Oklahoma public school districts reaching for the sky during the first-ever Oklahoma Student Pilot Day, held April 6 at Tulsa International Airport.

Those students – accompanied by an instructor and principal – were part of an effort to share with youth information about careers in the aviation and aerospace industries, learn more about the history of flight and more.

Sessions were held at the air-

port's American Airlines Hangar 80, said Grayson Ardies, Oklahoma director of aeronautics.

"AOPA has created the amazing You Can Fly initiative, which is all about building the aviation community, getting more people into the skies, and encouraging kids to pursue an aerospace career. The centerpiece of the You Can Fly program is the unique High School STEM curriculum that is available to schools across the state," Ardies said. "In the past school year, more than 12,000 students in 1,000 classrooms across the country, in all four grades, took the curriculum and learned about exciting careers in aviation.

During the 2022-2023 school year, Oklahoma was ranked first in the nation for the number of schools teaching aviation and aerospace curriculum at the high school level. Fifty-seven schools are currently teaching the AOPA "You Can Fly" program and seven are teaching the Choose Aerospace Maintenance program.

"Next year we expect nearly 80 high schools will be teaching aerospace and aviation in the classroom with the purpose to build a quality workforce for an industry that is so critical

Commissioners agree on ARPA shares percent

13 applicants seek nearly \$18M with \$12.17M remaining to distribute

> By Conrad Dudderar Staff Writer

EL RENO — Canadian County commissioners have agreed on percentage shares in three categories for more than \$12 million in federal stimulus funds they plan to distribute.

In 2021, Canadian County was awarded \$28,806,702 from the American Rescue Plan Act (ARPA). This was a \$1.9 trillion economic stimulus bill designed to speed up the United States' recovery from the economic and health effects of the COVID-19 pandemic and an ongoing recession.

Commissioners already have obligated \$16,632,100, and will

allocate the other \$12,174,602 to municipalities, rural water districts and community service/mental health organizations.

"What we're trying to do is touch as many needs as we can in the most constructive way,"

Anderson

Canadian County Commissioner Dave Anderson said at the commissioners April 10 meeting.

All three commissioners decided on this split by category:

- 85% Municipal water
- 7.5% Rural water
- 7.5% Community services/

Architectural firm hired for new county courthouse project

MA+ Architecture selected at advisory board's recommendation

By Conrad Dudderar Staff Writer

EL RENO – An Oklahoma City architectural firm has been selected to design Canadian County's future courthouse complex.

MA+ Architecture was recommended after interviews by a four-person selection committee comprised of District 3 Commissioner Tracey Rider, County Clerk Sherry Murray, Court Clerk Marie Hirst and County Treasurer Jay

Arnold.

"We had a wide variety of architectural backgrounds that were presented," said Stan Lingo, construction manager for the courthouse/administration building project.

"We also had a great group to evaluate. They asked probing questions, explored and invested their time. It was one of the best selection committees that I've been on."

Many Canadian County officers and department directors want to have a new state-of-the-art facility in the county seat to house the county's administrative and

See Courthouse, Page 2C

In 2014, Rogers County constructed a 100,000-square foot, four-story building. Chairman Dave Anderson, Canadian County's District 2 commissioner, previously estimated a similar facility would cost about \$30 million today. (*Photo courtesy*)

It's never too early to

Flight

From Page 1C

to Oklahoma's economy," said Paula Kedy, Oklahoma Aeronautics Commission aerospace and aviation education coordinator. "Aerospace and aviation is Oklahoma's second leading industry, and as such it behooves our schools to prepare their students to work in Oklahoma and hopefully stay in Oklahoma."

Students gathered at the event presented by the Oklahoma Aeronautics Commission in partnership with American Airlines, Tulsa Air and Space Museum, the Oklahoma Air National Guard and Tulsa International Airport. Those in attendance learned about the various

Oklahoma aerospace and aviation careers as they explored aircraft static displays, simulators and exhibits at Hangar 80 and the Tulsa Air and Space Museum. The event was made possible by a Federal Aviation Administration (FAA) 625 workforce development grant that the Commission received.

American Airlines team mem-

bers spoke to the students sharing their first-hand experience about the various careers at the Tech Ops – Tulsa maintenance base, where the airline conducts nearly half of its overall aircraft maintenance work. Additionally, representatives from the American Cadet Academy provided information about opportunities to join the academy.

Courthouse

From Page 1C

judicial offices.

Canadian County commissioners approved the selection of MA+ Architecture at their April 10 meeting.

The architect selection committee reviewed written responses submitted by five architectural firms.

Three were interviewed – Architectural Design Group (ADG)-Blatt, TAP Architecture and MA+ Architecture.

Lingo

"They were all very thorough presentations, which actually made the selection harder," Lingo said.

"All three brought experts in the area of courts with them to the table as partners. So, we have a national partner who's very experienced in (planning and designing) courts as part of the team with MA+."

Canadian County government officials plan to replace the existing county administration building at 201 N. Choctaw.

This structure - which houses the county commissioners, county clerk, treasurer, emergency management and other offices - is more than 60 years old and has been plagued by mechanical problems.

Several Canadian County government offices – like the assessor and election board – are housed in separate buildings.

Canadian County's judges, courtrooms, the District Attorney's Office and Court Clerk's Office occupy the Judicial Building at 301 N. Choctaw.

The courthouse architect selection commit-

tee "challenged each other, we had a lot of discussion and took leadership from Mr. Lingo in making this very important decision," Commissioner Rider said.

Canadian County Commission Chairman Dave Anderson thanked committee members for their work and the time and energy they provided to help choose the architect.

PROGRAMMING PHASE

MA+ Architecture will present a proposal and schedule to perform the "programming" phase of Canadian County's courthouse complex project.

Representatives of county departments will be interviewed and the building's size and uses will be determined during this phase.

"Once we understand the scale of the project, we will negotiate for the final architectural services," Lingo told county commissioners.

A location also must be identified and estimated construction cost determined.

After the architect completes its work, contractors will be used construct the new county government facility.

MA+ Architecture has provided its clients with professional architecture, planning and interior design services since 1968.

Among the company's many large projects have been:

Canadian Valley Technology Center's Cowan Campus, Southwestern Oklahoma State University's football stadiums, SWOSU's Wellness Center, SWOSU's Hilltop Theatre, Mustang High School, Mustang HS Performing Arts Center, Mustang Elementary School, Mustang's Canyon Ridge Intermediate School, Mustang HS Football Fieldhouse, Mustang HS Event Center, Mustang HS Baseball and Softball Training Facilities, Taft Stadium, Norman High School, Norman Public Schools Football Stadium, Deer Creek Performing Arts & Athletics Center, Seminole State College's Boren Center, Lawton Senior High School and Capitol Hill High School.

POPULATION ABOUT 166k

Canadian County's continued population growth has been cited as a primary reason for developing a new county courthouse/administration building.

This county is the fourth largest – and fastest-growing – in Oklahoma.

Canadian County's population increased by 33.6% (115,541 to 154,405) between 2010 and 2020, according to the U.S. Census Bureau.

Canadian County's estimated 2023 population is 166,063 with a growth rate of 2.4% in the past year, according to recent U.S. Census data.

Canadian County Commissioners already have aside \$8 million in the county general fund budget for the new courthouse complex project.

Another \$10 million in American Rescue Plan Act (ARPA) funds have been earmarked for construction. In March 2022, Canadian County elected officials toured the Rogers County Courthouse near Tulsa.

In 2014, Rogers County constructed a 100,000-square foot, four-story building.

Chairman Anderson, Canadian County's District 2 commissioner, previously estimated a similar facility would cost about \$30 million today.

April is Child Abuse Prevention Month in Oklahoma, across U.S.

In an effort to celebrate children and their right to grow and learn in safe and nurturing environments, April is Child Abuse Prevention Month. As the Oklahoma Chapter of Prevent Child Abuse America, Parent Promise works with community partners, businesses and organizations across the state each April to raise awareness by honoring Oklahoma's children with pinwheel gardens throughout the month.

Part of those efforts are April pinwheel gardens. In 2008, Prevent Child Abuse America introduced the pinwheel as the new national symbol for child abuse prevention through the annual Pinwheels for Prevention® campaign. By its very nature, the pinwheel represents whimsy and childlike notions. In essence, it has come to serve as the physical embodiment, or reminder, of the great childhoods we want for all children.

It is the obligation of everyone to work to protect children and their right to a healthy and safe home environment.

Parent Promise is offering pinwheel gardens to commemorate Child Abuse Prevention Month. Call the organization at (405) 232-2500 or email Sheryl Miller at sheryl.miller@parentpromise.org for an order form to participate in Pinwheels for Prevention. (Photo courtesy)

ARPA

From Page 1C

mental health

"We're not talking about disbursing any funds to any individual applicant this morning," Anderson emphasized. "We're just talking about dividing the available dollars we have left in different categories.

"All three categories have more applications than we can fund."

Anderson, the District 2 commissioner, first suggested 85% for municipal water, 6% for rural water and 9% for community services/mental health.

District 3 Commissioner Tracey Rider then suggested 80% for municipal water, 10% for rural water and 10% for community services/ mental health.

"Giving weight to the populations of the larger cities is very important," Rider said.

District 1 Commissioner Tom Manske made the motion with 85% for municipal water, 7.5% for rural water and 7.5% for community services/mental health. That motion passed 3-0.

"Water in the county is definitely a big issue, especially as fast as we're growing," Manske said. "We need to keep focus on that."

THE APPLICANTS

Twelve eligible entities in Canadian County

submitted formal requests in the three primary categories for portions of the county's \$28.8 million ARPA award:

Municipal water - city of Mustang (\$3,560,000), city of El Reno (\$3,500,000), city of Yukon (\$4,350,000), city of Piedmont (\$1,406,499).

Rural water Canadian Manske County Water Authority (\$723,179), Okarche Water District (\$1 million), Maple Water District (\$53,296.88).

Community services/mental health - Red Rock Behavioral Health (\$1,699,775), Cardinal Point Family Justice Center (\$454,265), Second Chance and Re-entry Services (\$336,000), Intervention and Crisis Advocacy Network (\$33,468), Boy Scouts Last Frontier Council (\$500,000).

One other application was received from the Canadian County Sheriff's Office (\$336,431).

All 13 Canadian County ARPA requests total \$17,952,913.88.

That is \$5,778,311.88 more than county commissioners have left to disburse.

THE REQUIREMENTS

Federal ARPA stimulus funds may be used

- Restore lost revenues for any negative tax impact due to lower economic activity.
- Upgrade and improve Internet broadband, water and sewer infrastructure.
- Respond to the negative economic impacts and public health impacts of the COVID-19 pandemic and to be prepared for any future pandemics.
- Provide premium pay for essential employees who undertook required public health-related work during the pandemic.

County commissioners have obligated ARPA funds in these three areas:

- \$10 million for estimated "lost" Canadian County revenue, which may be used toward construction of a new county courthouse complex. This amount must be moved to the county's general fund before any is spent.
- \$6.2 million to the Canadian County Health Department. Some \$6,005,867.92 has been spent to acquire property near SH-66 and Evans Road for a new CCHD site.
- \$432,100 to the Canadian County District Attorney's Office to administer the county's ARPA funds over five years. \$86,420 has been spent.

Rocking F Ranch is a 300 acre +/- ranch located in Davis, Oklahoma. This beautiful section of property boasts a wide selection of features including: 2 Homes, Beautiful rolling hills, Seasonal creeks, 8 ponds, 175 producing native pecan trees, 13 young grafted paper shell pecan trees, and 10 cross-fenced pastures with either rural water or ponds for watering. An abundance of Bermuda and Native grasses. The main farmhouse (built in 2001) features 2,400 sf. +/- of living space, Poly steel construction, rural water, total electric, 3 bedrooms, 1 office (could be 4th bed), 2 baths, 2 car garage, open concept, mother-in-law floor plan, huge laundry room with tons of storage complete with sink, 5-year-old roof, 3-year-old heat pump heat and air system, 2 hot water heaters along with many other features. The main farmhouse is accompanied with a surrounding white poly fence, above ground swimming pool complete with deck, huge

open patio, 2 covered patios, 30'x40' shop with electricity and concrete floor, 18'x22' lean to, 48'x50' barn with working corrals and chutes for both cattle and calves complete with weight scales. The ranch house (built in 1970) features 1,300 sf. +/- of living space, rural water, total electric, 3 bedrooms, 1 bath, 2 car carport, 5-year-old roof, shop with rollout door, working corral with water and small shed. Of the 8 ponds, 2 ponds are 3 ac. +/-, pond is 1.5 ac. +/-, and remaining ponds are 1 acre or less. Tons of wildlife such as deer, quail, ducks & geese for hunting as well as stocked ponds for fishing. In addition to Pecan trees, there are several mature variations of Oak, Persimmon, Redbud, and Elm trees found throughout the property. Come see the Spectacular 360-degree view that surrounds this stunning property. Located 1 1/2 hr. south from OKC, 2 hr. north of the Dallas/Ft. Worth area, 7 miles from Crossbar Ranch, 11 miles from Turner Falls, 13 miles from Falls Creek, 18 miles from Lake of the Arbuckle's, with Lake Texhoma & Murray close by. Tons of sites to see just minutes away! Reserved items to stay with seller include: windmill in dining room, old family door on barn door railing, sign at entry (just sign rail casing stays) and 4 plants in front flower bed.
