A welcome from the President

BY RODNEY FLOYD
GCFA President

Greetings everyone, we are pleased to invite you to the 68th Annual Grimes County Fair. We are extremely excited to showcase this year's exhibitors to each and every one of you. This year has been a challenge for all of us, but each of these young people have battled through the circumstances to provide you with what we believe will be the best Grimes County Fair to date. Many hours of hard work and dedication

have been put forth by our youth. We look forward to watching the champions being awarded and memories made. Although there are some changes to our usual format, there will still be opportunities to come out and enjoy the fun. Please visit our Facebook Page or Grimescountyfair.com to get an up to date schedule of events. We would like to once again thank MidSouth Electric Co-op for providing all our sponsored meals this year including our Premium Sale Buyers Social on June 4, at

5:30 p.m. Everyone is welcome to come and place your bids on this year's "cream of the crop" in the Main Hall that evening. Don't forget we also have a Freezer Sale the following day to help you make it through the Murder Hornet Crisis. If you would like to support this year's exhibitors but would rather not attend don't forget about our add-on option on the Buyers Info tab of our website which allows you to individually add on to exhibitors (Add-on option will be available June 4). You may also make

a general donation the Grimes County Fair Exhibitor Fund. Donations to this fund will be divided equally among all the exhibitors selling in the premium and freezer sale. To contribute to this fund please contact GCFA Treasurer Stephanie Burzynski, 936-661-5557. All donations must be received by June 10. We are looking forward to making the best of 2020 so come out and join us but remember to social distance. Thank you for supporting us all these years.
