**Good Luck To The
Assumption High School Mustangs!**

We Hope You Have A Great Season

Mustangs poised for big year

Staff Writer

Assumption High School's Head Football Coach Tony Paine is in his sixth year as the Mustang's boss man and this year will be as challenging as any other he's had. The bright side of the spectrum is that Paine has an opportunity to compete in a district with a title ripe for the taking.

If Paine is to be successful, he will have to have good production from starting quarterback Tajh Parker, a junior with a year of experience under his belt. Parker, a junior, at times last season was inconsistent, but was good enough to get the Ponies to the second round of the playoffs where Assumption lost to powerhouse Neville. The Mustangs finished 7 - 5 overall and took home the 7 - 4 A District Title. The Ponies have been to the playoffs 5 times in Paine's 6 years at the helm. If Assumption is to make a run at the title, they will need to do it without star running back Melvin Young who graduated and will now share the back field at Louisiana College.

The Mustangs will spread it out offensively and have a stable of running backs all capable of the big play. Zyshawn Richard was slated to do big things last season but was lost early

on to a major injury. The senior running back will be joined by seniors, Brad Hill and Ernest Adams. All three are punishing runners and can catch the ball as well. Hill will be featured at split end, but look for him to run the ball at times.

Troy Jones, a 5' 10", 210 lbs., a senior will be tight end.

Jack Buckland, 5' 10, 180 lbs., a sophomore and Zane Blanchard, 6' 0, 215 lbs. and a junior will start at the offensive tackle positions.

Josh Ratcliff, 6' 0", 230 lbs. and a junior will join Tyreke Lemon, 6' 0, 240 lbs. and a senior will take up the two guard spots on the offensive line.

Grant Dupaty is 5' 9", 190 lbs. and a sophomore, will anchor the line at center.

The Mustangs will play multiple defenses and have huge shoes to fill with Kayne Theriot, Christian Brooks, Tremaine Jones and Joe Starks all lost to graduation.

Philquante Johnson, 6' 2", 220 lbs., a junior and Rashheed Gore, 6' 2", 265 lbs. and a senior will start at the defensive end spots.

Cornell Adams, 6' 0, 295 lbs. and a senior will start at defensive tackle.

The linebackers will be juniors Resmond Smith, 6' 0, 200 lbs., Jarvis Stew-

Coaching Staff

art, 6' 0, 220 lbs., and Jarius Tassin, 5' 9", 205 lbs. and they will join Hayes Domingue, a senior at 5' 11" and 210 lbs.

Juniors Shawn Hall, Jr., 6' 0, 180 lbs., Brayden Leonard, 5, 10", 170 lbs., and Greg Washington, 6' 0, 170 lbs. and a senior will be defensive backs.

Trevion Bozeman, 6' 10", 170 lbs. and a junior will also play on the defensive side of the ball.

Assumption opened on the road at Donaldsonville

and loss to the Tigers, 36 - 27 on September 1.

The Mustangs will play host to Patterson on September 8, then travel to Houma to face Terrebonne on September 15.

The Ponies open district play at E.D. White on September 29 for homecoming.

On October 6, Assumption travels to South Lafourche for a big district match-up with the Tarpons.

The Mustangs return home on October 13, to play El-

lender in a district game.

The Ponies play their final road district game in a big one at Vandebilt in Houma on October 20.

The Mustangs close out the regular season at home with a non-district game against Newman on October 27, then Morgan City for the regular season finale which is a district match-up.

Stay tuned for another exciting year of high school football.

Good luck Mustangs!
