BLOOD PRESSURE CHART

KNOW YOUR BLOOD PRESSURE

The newest guidelines for hypertension:

NORMAL BLOOD PRESSURE

* Recommendations: Healthy lifestyle choices and yearly checks.

ELEVATED BLOOD PRESSURE

* Recommendations: Healthy lifestyle changes, reassessed in 3-6 months.

HIGH BLOOD PRESSURE / STAGE 1

- * Recommendations: 10-year heart disease and stroke risk assessment. If less than 10% risk, lifestyle changes, reassessed in 3-6 months. If higher, lifestyle changes and medication with monthly follow-ups until BP controlled.

HIGH BLOOD PRESSURE /STAGE 2

* Recommendations: Lifestyle changes and 2 different classes of medicine, with monthly follow-ups until BP is controlled.

* Individual recommendations need to come from your doctor.

Our GREATEST
GENERATION
DESERVES
the best care.

Welcome

TO A COMMUNITY OF EXPERIENCES

Let us show you how life's journey can continue to be celebrated.

Assisted LIVING

Whether you enjoy the freedom of personal independence or the comfort of being catered to, the levels of care offered at Vintage Care are tailored to meet your personal needs and preferences.

Memory CARE

Our Memory Care program addresses the needs of the whole person, taking into account emotional, spiritual, mental and social needs, as well as the physical symptoms of the disease.

Artful DINING

We believe that a superior dining experience elevates the morale of patrons and staff in a way that traditional dining cannot.

Zestful ACTIVITIES

Scheduled programming and energetic activities are as fun as they are helpful in maintaining physical conditioning and overall health.

Heartful CARE

Our staff is ready to help you in your transition to our community with wellness programs, individualized programming and emergency response services.

Call Your Senior Living Experts Today.

Your treatment.

Our Journey.

Treating cancer requires not only the most advanced skills and expertise but also the highest level of scientific knowledge. With nearly 100 locations across the state, Florida Cancer Specialists & Research Institute has built a national reputation for excellence. Dr. J. Wynn Sullivan has been practicing in the Palatka area for more than 29 years. Through Dr. Sullivan's previous work with the Cancer Center of Putnam and with access to state-of-the-art treatments and clinical trials at Florida Cancer Specialists & Research Institute, his patients will truly experience the very pinnacle of cancer care. Our team of highly trained and dedicated clinicians and staff is proud to continue to care for you at our Palatka location.

Did you know?

Pierre Fauchard is known as the father of modern dentistry. He made the first set of braces in 1728, which were comprised of a flat piece of metal connected to the patient's teeth with thread. Brackets were first introduced in 1915 by dentist Edward Angle. The first brackets were made from gold.
