# Don't Let A Grinch Ruin Your Holiday

## IF YOU ARE SHOPPING

- Stay alert and be aware of your surroundings;
- Park in a well-lit area, always lock your vehicle and store all items out of sight;
- Be extra careful with purses and wallets. Carry your purse close to your body and place your wallet in an inside coat or front pants pocket.

## ONLINE SHOPPING

- Verify online shopping sites. If you see an ad on a social media site for something you wish to purchase, search the actual company site. Do not just click through. Don't buy directly from a social media site.

## IF YOU ARE OUT FOR THE EVENING

- Leave a light on so it looks like someone is home;
- Be extra cautious about locking doors and windows before you leave;
- Don't display gifts where they can be seen from the outside.

## IF YOU ARE TRAVELING

- Use an automatic timer for your lights;
- Ask a neighbor to watch your home;
- Don't forget to have mail and newspaper delivery stopped. If it piles up, it's a sure sign no one is home.

## CELEBRATE RESPONSIBLY AND ENJOY THE SEASON

- The holiday season is a time of celebration and revelry. Drinking and driving is a danger to everyone on the road. The risk is not worth it. If you choose to drink alcohol at a party, don't drive.

*Wishing You and Your Family  
a Happy & Safe Holiday Season!*
