Rotary

Robust International is a worldwide organization of more than 1.2 million business, professional and community leaders. Members of Rotary clubs, known as Rotarians, provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world. As signified by the motto, Service Above Self, Rotary's main object is service - in the community, in the workplace and throughout the world. In Putnam County, there are five Rotary organizations, providing services throughout the community and world with service projects chosen by club members. Below is a small sampling of what projects local Rotary clubs are involved in.

CREATE HOPE in the WORLD

#### **Rotary Club of Crescent City**

The Crescent City Rotary Club was founded in 1927 and has always been a vital part of the community, bringing many services and improvements to the area over these 95 years. Among the areas of support for Rotary has been the development of the annual Catfish Festival, with its hundreds of community volunteers. The festival has supplied over \$500,000 since 1978 in scholarships to needy students at Crescent City High School for college and trade school tuition, books and supplies. The club is also the force behind the annual Swine and Wine BBQ which raises money for South Putnam youth sports and other charities. Rotary continues as a leader in the South Putnam community and plays its roll in international good will and world service such as eliminating polio from the face of the earth, polio being the second world-wide disease to be eliminated. For more information about the Crescent City Rotary Club go to rotaryclubcrescentcity.com

#### **Rotary Club of Hastings**

The Rotary Club of Hastings was founded in February of 1927 and the club is focused on literacy, education, and economic development in and around the region as well as providing cultural opportunities. Annually, the club raises funds to support a Christmas toy drive, Rotary Youth Leader-ship Academy scholarships for Pedro Menendez students who qualify, and the Hastings Team Up partnership. Through Team Up, Rotary helps support over 400 students with back to school needs, participates in the local festivals and the Christmas Parade as well as the Breast Cancer Walk and Trunk n Treat. The club is actively involved in the Hastings revitalization and local agritourism development. Club members are proud to serve both local and global neighbors. For more information contact HastingsFLRC@gmail.com or visit the website at HastingsFLRotaryClub.org.

#### Rotary Club of Interlachen and Lakes Area

Thank

You!

The Rotary Club of Interlachen and Lakes Area's primary mission is to enhance the educational opportunities for the children in our community. Since our Rotary Club chartered in April 2014, our members have provided shoes and socks to children in need at Robert H. Jenkins, Melrose and Ochwilla Elementary Schools; sponsored more than 50 sets of books for new families through the Baby Brain Builders program; maintained two "Little Libraries" in the community; led a partnership with the Rotary Clubs of Palatka Sunrise and Crescent City to provide an equipped mobile dental unit for the children of Putnam County; and awarded numerous scholarships each year to graduating seniors at I.H.S. Our club also operates the football concessions at Interlachen High School, and for the 2022 and 2023 seasons alone was able to give back over \$18,000 in profits directly to the football and band programs there.

#### **Rotary Club of Palatka**

The Rotary Club of Palatka was founded in 1920, being the first club established in Putnam County. The Club continues the tradition of low-cost blood screening, giving local residents an opportunity to detect health concerns at a fraction of the cost. The RCOP has also instituted new events like a Casino Night and the Palatka Craft Beer Festival. Proceeds from these events continue to benefit Project Play. Water Works, scholarships to deserving students and for a second year scholarships to Palatka's Top Student Athletes. RCOP remains available to help any local cause in a moment's notice. This year the Club, in conjunction with the other Rotary Clubs in the area, has been able to install a fresh water well for a deserving family. The Club also plans to beautify another building, bringing a new look to a local non-profit. Follow us on Facebook and Instagram to see upcoming meetings, events and projects.

#### Rotary Club of Palatka Sunrise

Survey over 300 meals on Senior Day at the Putnam County Fair, provide funding for "tracking bracelets" for individuals with autism, dementia and/or Alzheimer's disease. Our "Heart and Sole" project provides socks and shoes for needy elementary school children, our "Literacy Project" provides books for children who do not have access to them and we volunteer as "readers" at various elementary schools. Our Cooking Team provides catering for the One Book One Putnam Community Read kickoff, assist other Rotary Clubs in the area with events, and holds the annual Wild Game Feast Fundraiser.
