THE BEST OF LINCOLN PARISH

Shopping, medical health and everything in between

Several weeks ago we at the Ruston Daily Leader had an idea how we can create a fun special section of the paper that can include our readers along with our local businesses and community leaders.

Everyone has their favorite places to patronize in Lincoln Parish. When you decide to take your significant other out for dinner, you have your favorite restaurants. When you need something on your vehicle worked on or replaced, you normally have your go-to shop. And that's not all. We thought we could turn that into something fun for the community and for us.

From that idea was born the inaugural Best of Lincoln Parish Reader's Choice Awards.

Basically, we asked you to tell us what your favorites are in a multitude of categories — over 100 categories in fact.

"We wanted to showcase the best and brightest Lincoln Parish has to offer and we enlisted your help," Leader Publisher Jerry Pye said. "We appreciate the participation from our readers. After all, we always value your thoughts and opinions on a daily basis. Thank you all for making this first special edition a successful one. We hope you enjoy it."

Here's how we made this come to fruition. We had our readers in the community vote for roughly a month via paper ballot and online at rustonleader.com for their favorites in all of our categories. We have spent the last few weeks tallying the votes and we have come up with our winners.

Some of the categories you will see in this section include Men's Clothing, Wine & Spirits, Women's Clothing, Autobody Repair,

Bank, Contractor, Insurance Company, Hotel, Pest Control, Place of Worship, Tire Repair, Firefighter, Coffee Shop and Date Spot just to name a few.

We even have a category called Best You Name It.

Winners in each category will be provided window clings with the "Best Of" logo to showcase their victory.

Peruse this 50-plus page section at your leisure and we hope you enjoy the categories. Hold on to it for safe keeping. We also have advertising from a great many of the businesses listed. You can always use this section as a reference for goods and services.

Our staff has decided that our favorites are you — our readers, our businesses and our community.

*Thank you for your
votes Lincoln Parish!*

Photos by Heather Krickel

In September 1950, Dr. Tracy Smith D.C. and his wife Macelle opened Smith Chiropractic Center, the first chiropractic office in Lincoln Parish. Dr. Tracy worked with the few other chiropractors in Louisiana to secure legal recognition of chiropractors as practicing doctors, paving the way for thousands of patients to receive the care they need. In 1977, his son Dr. Wayne Smith D.C. opened a chiropractic office in Springhill, Louisiana. When Dr. Tracy retired in 1995, he turned Smith Chiropractic Center over to Dr. Wayne. Dr. Wayne and his family moved from Springhill to Ruston, and he split his time between the Ruston and Springhill offices. Just as Dr. Wayne followed in his father's footsteps, his son Dr. Greg Smith D.C. joined Smith Chiropractic Center in 2007. Dr. Greg worked in both Ruston and Springhill until the closure of the Springhill office in 2016. In 2018, Dr. Greg joined the Docs for Dawgs program, serving the athletes of Louisiana Tech.

Smith Chiropractic Center offers more than chiropractic care. Dr. Wayne's daughters Stephanie Smith LMT and Jennifer Tradewell LMT provide massage therapy, including deep tissue, medical, sports, and prenatal massage. Smith Chiropractic Center has taken care of patients in Ruston for over 70 years, and they are honored to be recognized as Best Chiropractic Practice by the people of Lincoln Parish. Whether you're 9 months old, 9 years old, or 90 years old, the family of Smith Chiropractic Center is happy to help you.
