**Wichita County Junior/Senior High School**  
Leoti, Kansas

A Special Supplement to The Wichita County Native Sun

CONGRATULATIONS  
*Graduates*  
CLASS OF:  
*2021*

## Congratulations to the graduating Class of 2021!

Historically, this class has been referred to as the "big class," with 41 members – 24 boys and 17 girls! The class is not only big in numbers, but big in their talents, ambitions, and accomplishments. The Class of 2021 is hard-working, determined, and they have earned many successes. The USD 467 Board of Education, administrators, teachers, and the rest of the educational team are proud of the Class of 2021 and extend best wishes to each member of the class as they depart on their next adventure!

These successful high school graduates are academically prepared and have completed a minimum of 24 credits and two community service hours for every year of high school, totaling up to eight hours. High honors are anticipated for ten seniors, and other honors are expected for nine seniors, making up 47% of the class. Good things are in store for the graduates as they pursue their dreams. Five students are planning to join the workforce in the Leoti community, two are attending academies, three are pursuing certifications at technical schools, and thirty-one are planning to attend college.

The postsecondary success of these students will produce productive citizens in the workforce: hair stylists, welding and diesel technicians, carpenters, and teachers. Other successes will include business degrees, financial and accounting degrees, legal services, and social workers. The medical and health fields will be represented with students in nursing, nutrition, kinesiology, radiology, digital imaging, and pre-med. Other students will study to become veterinarians, veterinarian technicians, and wildlife biologists, all of which will allow them to follow their passion of working with animals. Graphic design, computer science, and aviation will also gain successful candidates from Wichita County. In addition to academic pursuits, some students will play sports at the college level. Football, volleyball, wrestling, and cheerleading will have Wichita County students representing at the college level.

Congratulations to the Class of 2021! We celebrate and support the graduates as they cross the finish line and begin the next journey in their lives! They will take with them special memories of being the Kansas State Runner-Ups in D1 8-Man Football, performing in plays, band, and choir, earning high ratings at state contests, creating and crafting projects, and forming lifelong relationships and connections with their peers. USD 467 will miss this special class of seniors, and we wish them well in all they do!
