# Reader's Choice Awards - 2024

After months of hard work — voting, reviewing ballots and tallying results — the Best of 2024 results are in!

This special section is one of my favorites because it is a celebration of local businesses and individuals who have been recognized by citizens for the hard work and great service they provide.

We especially enjoy tallying the votes each year to see what our readers think of our business establishments and professionals. There are some new winners and some repeat winners. Either way, they are indeed some of the best in their respective category.

Once again, voting this year increased dramatically with a larger number of ballots from online voting, as well as increased participation by readers. We'd like to thank everyone who cast a ballot during the voting period, as well as those who participated in this section.

More votes ultimately give our readers a better cross section of what is truly seen as the best in your community. The Best of 2024 includes winners from Eastern Collin County, which is the coverage area of C&S Media Publications. It's a short drive from Sachse to Wylie, to Murphy, to Princeton, or to Farmersville, so it's easy to compare food or services from the unique businesses in these communities.

As we continue our journey through 2024 please support not only the Best of winners, but other businesses in your community as well.

Chad Engbrock  
Publisher

**Note:**

- 1) A complete list of all winners, by categories, begins on page 45.
- 2) Winners listed on pages along with advertising are those who included an ad in this section.
- 3) When you see F, M, P, S or W, that identifies the city the final readers' poll represents; Farmersville, Murphy, Princeton, Sachse or Wylie. Voting was accumulated by our five newspapers; The Farmersville Times, Murphy Monitor, The Princeton Herald, The Sachse News and The Wylie News.

*"I had previously used the same dentist for over 30 years and was worried sick I wouldn't find anyone who could fill his shoes when he passed away. Our whole community was so blessed when Dr. Rottman and his staff opened his new practice. He evaluated my needs as a 60+ year-old patient and I have been very pleased with the results. His office is new and nothing but state of the art equipment is used for your comfort. I highly recommend Dr. Rottman"*
